

Ubuntu Show and Tell

Presented By: **Joseph Liau**

What I'll Cover

- This is a “Lightning Talk” (15 Mins or less), so I'll be moving quickly (like lightning!)
- ART +
- GIMP +
- Iron-on Transfers =
- T-SHIRTS

Art +

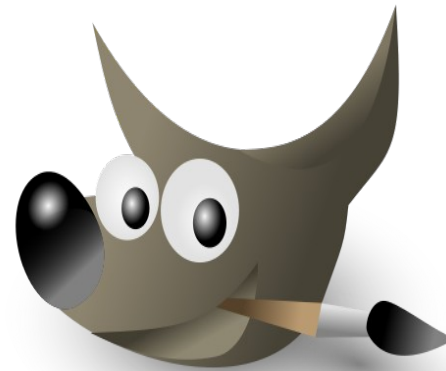

- Do you have an idea for art?

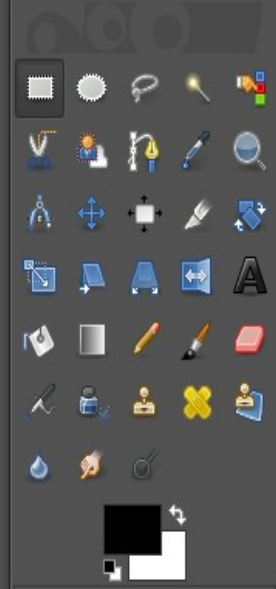

GIMP +

- GNU Image Manipulation Program
- Tools
- Layers

Toolbox

Rectangle Select

Mode:

Antialiasing

Feather edges

Rounded corners

Expand from centre

Fixed: Aspect ratio

Current

Position: px

3680 1824

Size: px

0 0

Highlight

No guides

Auto Shrink

Shrink merged

Layers

Layers
