

## The Ubuntu Promise

- Ubuntu will always be free of charge, including enterprise releases and security updates.
- Ubuntu comes with full commercial support from Canonical and hundreds of companies around the world.
- Ubuntu includes the very best translations and accessibility infrastructure that the free software community has to offer.
- Ubuntu CDs contain only free software applications; we encourage you to use free and open source software, improve it and pass it on.

## The Ubuntu Community

The Ubuntu community is what makes Ubuntu special, and we invite you to participate in it too! Visit [www.ubuntu.com/community](http://www.ubuntu.com/community) to learn how.

## System Requirements

*To use the Live CD, you must have a PC with at least 384 MB of RAM. To install Ubuntu, you should have at least 4 GB of disk space.*

## What is Ubuntu?

Ubuntu is an operating system consisting of free and open source software. With Ubuntu you can surf the web, read email, create documents, spreadsheets and more! Ubuntu gives you power and flexibility for business, education and home use.

Ubuntu is easy to install, free of viruses, and perfect for laptops, desktops and servers. The CD inside will install in a dozen languages; many more languages are available via download. Ubuntu is community developed, commercially supported, and offers free updates for at least 18 months after release.

“Ubuntu” is an ancient African word that means “humanity to others”. This Linux distribution brings the spirit of Ubuntu to the software world.

**For help please visit [www.ubuntu.com/support](http://www.ubuntu.com/support).**

This software is released for free public use under several licenses. It is provided without any warranty, without even the implied warranty of merchantability or fitness for a particular purpose. See the license text included with each program for details. Ubuntu, the Ubuntu logo and Canonical are registered trademarks of Canonical Ltd. All other trademarks are the property of their respective owners.

**Ubuntu is *software libre*. You are encouraged and legally entitled to copy, reinstall, modify, and redistribute this CD for yourself and your friends. Share the spirit of Ubuntu!**

Ubuntu is sponsored by Canonical Ltd. For more information, visit [www.ubuntu.com](http://www.ubuntu.com) and [www.canonical.com](http://www.canonical.com).

This PC Edition will run on Intel x86-based systems (including Intel Pentium, Intel Core and AMD Athlon).

## Pass it on!

This CD can be used to install Ubuntu on an unlimited number of PCs, desktops and laptops. So install it, enjoy it, and pass it on to your family, friends and colleagues!

Ubuntu 7.10 for your PC

### **Use Ubuntu**

To use Ubuntu as a Live CD, put this CD in the CD drive and turn on or restart your computer.

To install Ubuntu, run the Live CD and double click on the "Install" icon. The default installation will erase all existing software and data from your computer. If this is not what you want, follow the instructions carefully during installation.

To try Windows versions of some of the programs included in Ubuntu, put the CD in the drive while Windows is running.
