Core Member Team

Bld 14, 4 Fl, Kanaung Hub, MICT Park.

Yangon, Myanmar. 11051

## Overview

“Together we have the opportunity to bring real technological freedom to every part of the world, across multiple devices and the cloud, and clothed in an elegant, beautiful, experience. It is a bold vision, but our greatest strength in Ubuntu is our community and together we can do this. Come and join us and be a part of bringing Ubuntu to the masses.”

Jono Bacon

## Goals

1. For more contribute in Myanmar for Local .
2. To develop open source culture with next generations.
3. Help produce official documentation, share the solution to a problem, or check, proof and test other documents for accuracy.
4. Our mission to make Ubuntu as easily accessible to everyone as possible.
5. Help design graphics, backgrounds or themes for the next release.
6. Working with bug reports to ensure they're clear, complete and if possible, easy to reproduce.

## Specifications

1. Familiar to use with Ubuntu.
